## 2) Slapikanini

*For Incca and the Rasmussons Vokalensemble*

Sleep, Pikanini, our animals are safe for the night – all the sheep and all the goats.  
Tomorrow early you will have a meal made of sweet flour, and a pair of white socks.

Sleep, Pikanini, our grain is stored safely so that we will not suffer any losses.  
Tomorrow early we will let the animals graze again, and then you and I can talk some more.

**trad. arr. Hannes Taljaard 2014**
